

# BCA Club Registration Form

## Third Nine Weeks

As BCA continues to partner with Christian families to inform the student's mind, affect the student's heart and increase the student's personal talents it is time to register for the clubs that will be offered to our students during the third nine weeks of school. These clubs are offered for all students. If you have any questions about these opportunities please contact the academy office.

*Cooking Club:* Mrs. McDonald will be helping our students learn to eat in a fun and healthy format by teaching our very popular cooking club. The students will learn to cook snacks and special items that can then be shared with their family members. This club is offered for students in grades 2-5. The cost for this club will be \$40. Registration forms and fees should be turned in at the academy drop box by January 6. The club will meet each Monday afternoon beginning on January 9 and ending on February 20.

\_\_\_\_\_ would like to participate in the Cooking Club. This club will meet each Monday from 3:00 until 4:00 from January 9 until February 20.

\_\_\_\_\_ My child will be picked up from the academy lobby at the end of each practice session.
