

STATEMENTS OF PRINCIPLE

STATEMENT OF EDUCATIONAL PHILOSOPHY

The Bethesda Christian Academy philosophy of education is distinctive. Its uniqueness lies in its core convictions about the nature of God and the nature of man. This uniqueness determines the distinctive aspects of the Christian education offered to each student. Our philosophy is prayerfully designed and undertaken, in dependence on the Holy Spirit, to accomplish these primary things: to **inform** the student's mind and to **affect** the student's heart.

The student whose mind is **informed** by the Scriptures and whose heart is **affected** with a love for Christ will be equipped to live obediently, with wise and courageous effectiveness. That student will carry the banner of God's truth into his world.

The two core convictions of our Philosophy of Education are as follows:

First, there is one true God. He has revealed Himself in the Scriptures of the Old and New Testaments as the eternal, all-powerful, Creator-God.

Second, each student--although created to live in intimacy with God--is born with a sinful nature. This fallen nature affects every aspect of his or her being, resulting in rebellion against God's authority and truth. The student, therefore, seeks to live in self-sufficiency and independence of Him. Although deeply fallen, he or she is greatly loved and highly valued by God. As demonstrated in the saving work of Jesus Christ.

These two core convictions have implications for every area of both the content and atmosphere of this school, and are visible in **four distinctive aspects of our Philosophy of Education.**

The first distinctive lies in our **commitment to ground each student in a Biblical World View.** Each student will be prepared by this grounding to understand, evaluate and --in a wise and influential way--relate to the world in which he or she lives. The goal is for the student to think like Christ as he or she faces the issues of life. The world in which the students are called to live will be increasingly hostile to Christian truth and character. It will continue to advocate secularism, humanism and anti-Christian values as it attempts to find solutions to complex social, political and moral issues. In a world where Christian truth no longer holds prominent influence, students will find a Biblical World View essential to their being able to articulate their faith in a compelling and effective way, and thus will bring Christian influence to this world.

The second distinctive is **a commitment to academic excellence.**

Our commitment to excellence goes beyond the traditional approach of memorizing factual information. This commitment encourages such things as understanding, insight, wisdom, critical thinking and decision-making skills. This emphasis will be applied to

every subject and every issue studied by the student as we instruct and prepare our students with a college preparatory style education. This quick-paced technique will include adequate homework, projects, oral presentations, as well as formal evaluation.

Our goal is to expose students to such a depth and breath of knowledge that those who are so equipped will gain the ability to think innovatively and independently, while understanding a broad range of subjects. The result will be a student with a Biblically-informed world view who can think critically, and can understand, evaluate and apply sound judgment to the issues in a wise, constructive and Christ-honoring way.

A commitment to partnership - both with the parents of the student and with the family's local church-makes up the third distinctive, springing from the conviction that the student will not develop to his or her full potential without the complete co-operative involvement of all three influences: Parents, Church, and School. There is no question: parent and church participation are essential to every student's whole education.

Bethesda Christian Academy, therefore, encourages parents to be involved in both the school's ministry and in their child's education. And to enable real involvement, one ministry of the Academy will be to equip parents to understand both the material taught and the methodology of the instruction. Information will also be shared and emphasis placed on Christian child development, in order to give parents support in their primary responsibility of instructing and nurturing their children.

The fourth point of distinction is our **commitment to establish an atmosphere--and demonstrate a sense--of genuine love, and concern for each student.**

This atmosphere of acceptance will create the context within which each student will feel secure and loved, and within which the Holy Spirit can minister to each child. Recognizing that each child is unique, and has been gifted differently, this nurturing atmosphere will enable each student to identify and develop his or her gifts. Also....teachers, aides, administrative staff, other students and parents will be encouraged to model and promote a personal, saving relationship with Jesus Christ as the foundation for a godly life.

Out of the nurturing, encouraging atmosphere will come students who not only know Jesus Christ as Savior, but who are also motivated with a love for learning, a willingness to assume personal responsibility for their behavior and a respect for God-ordained authority.

TEACHER QUALIFICATIONS AND GOVERNMENT STANDARDS

TEACHER QUALIFICATIONS

We seek to only employ teachers qualified by education and training for their positions-including appropriate college degrees and/or state and ACSI certification. But their most important qualifications are that they are **born again** (John 3:3-6 and 1 Peter 1:3), and that they are **called to teach** a Christ-centered curriculum in the context of a Christian school.

GOVERNMENT STANDARDS

BCA meets the standards set forth by the Fire, Health, and Safety Department of North Carolina. It is not certified by the state because that would require the teaching of specific curricula that are in conflict with our beliefs and stated goals.

The Academy also meets the standards set forth by the Federal Government regarding racial non-discrimination. We do not discriminate with respect to race or national origin, either in the hiring of employees or the enrollment of students.

CRIMINAL BACKGROUND CHECK

BCA performs a criminal background check on all employees. Background checks will be performed on all coaches, bus drivers, and volunteers who have unsupervised access to students.

ASSOCIATION OF CHRISTIAN SCHOOLS INTERNATIONAL (ACSI) SOUTHERN ASSOCIATION OF COLLEGES AND SCHOOLS (SACS)

ACSI and SACS are internationally-recognized accrediting bodies and resources for Christian schools of which BCA is a member. During the 2005-2006 school year, BCA obtained full accreditation from ACSI as well as SACS. Of the many services they can provide, two are of special significance to us:

1. **Accreditation** - By conforming to the high standards set by ACSI and submitting to their evaluations, we will help assure our students that their BCA studies will receive transfer credit when they transfer into other schools or school systems.
2. **Continuing Education for Teachers** - Each year, ACSI offers courses which provide teachers from member schools continued training, by which they may keep their skills sharp and learn additional skills. ACSI training also meets the continuing education requirements for state-certified teachers.

OFFICE SCHEDULE

BCA's office is open from 8:00 am-4:00 pm, Monday through Friday. If you should call outside of these hours, please leave a message and your call will be returned as soon as possible. SCHOOL POLICY AND ACADEMIC MATTERS

CLASSROOM PRINCIPLES

Both Deuteronomy 6:6,7 and Ephesians 6:4 make it clear that God gives the responsibility for teaching a child to the child's parents. This Academy exist to act as an extension of the home and to be a partner with the parents it represents. It does not remove authority from the parents, but rather acts on the parents' behalf.

The following principles are established to provide a classroom environment which will promote learning for everyone:

- * The teacher has the authority in the classroom and is responsible to administer discipline consistent with school policy.
- * The teacher is also responsible to provide a classroom atmosphere conducive to learning and consistent with school policy.
- * Personal citizenship is one of the main lessons in every class, and will be encouraged. Students are expected to be responsible, respectful, and self-disciplined in their classroom behavior.

ATTENDANCE

Since regular attendance is an essential ingredient to the learning process:

- * A pupil who is absent must bring a written excuse to the teacher within two days of returning to school.
- * Phone calls cannot replace written excuses.
- * Penalties will be implemented if a written excuse is not submitted in the appropriate time period. (Refer to unexcused absence penalties.)
- * A pupil must be in attendance three and one half hours (3½) during the day to receive credit for that day.

MAKE-UP WORK

Students who are out of school (for excused absences) will have 3 days to make up any missed assignments or re-schedule tests. Elementary students may visit the academy office after 2:30 each day to pick up any missed assignments. Middle school students will be asked to obtain their missed assignments from their individual teachers upon returning to school. If a middle school student is out of school for two or more days, the assignments will be compiled by the academy and the work may be picked up from the academy office.

EXCUSED ABSENCES

1. **Verified illness** (It is our policy that a child must be kept at home for 24 hours after

- an elevated temperature has returned to normal)
2. **Verified doctor or dental appointment**
 3. **Bereavement**
 4. **Pre-planned trips of an educational nature** that have been arranged in advance.
 - * All missed assignments must be completed within 3 days of returning to school. Teachers will issue a date that tests and quizzes need to be made up.
 - * A daily journal detailing the educational activities of the trip should be submitted to the classroom teacher within a week of return.
Kindergarten journals should include a picture (camera or hand drawn) and a description of the activity written by the student.
First and above should prepare a DAILY journal, consisting of at least two interesting facts, etc.
There should be an activity for each day of an excused absence.
 - * Arrange with the teacher a week in advance of trip to receive assignments which will be missed. If assignments are received prior to the excused absence—they are due the day the student returns to school.

UNEXCUSED AND EXCESSIVE ABSENCES

Unexcused and excessive absences have grading penalties:

***Each unexcused absence will result in the final nine week grade being reduced by 1 point per subject.**

***Suspension is considered an unexcused absence and will result in the final grade being reduced by 1 point per subject.**

TARDIES

For students to receive the best advantage of their educational experience, it is important for all students to arrive at school on time. Students who are late begin their day feeling rushed and overwhelmed.

- * Students may begin to enter their classrooms at 7:40 am.
- * Students are considered tardy at 7:55 am and will not be admitted into the classroom without a tardy slip which will be issued from the office.

Tardies result in the following penalties:

Elementary

- * **6 unexcused tardies will result in the student not being eligible for perfect attendance. Once the elementary student has obtained six unexcused tardies (within one grading period) the student will be issued a lunch detention for the sixth tardy and each consecutive tardy.**

Middle School

*** 6 tardies acquired during a single class period will result in the final nine week grade for that class being lowered by 1 point. 6 tardies to homeroom, acquired during a nine week period will result in the final nine week grade for the first period class being lowered by 1 point.**

*** Additional tardies may result in a required conference with the parent, student and administration.**

REPORT CARDS

The purpose of our report system is to give parents and students an indication of the progress or lack of progress which is being made. BCA has a nine week grading period. Report cards may be held if a student has a delinquent tuition or lunch account, or if a student has outstanding library fines.

PROGRESS REPORTS/ON-LINE GRADES

Kindergarten students will receive a mid-nine weeks progress report to inform the parents of the student's progress. Progress reports are to be signed and returned on the following day. Students in grades one through eight will not be issued progress reports due to the fact that individual student grades will be able to be viewed on-line throughout the school year. Grades will be downloaded to the school site once a week. We ask that parents create a routine of checking student grades once a week. Listed below are step by step instructions for using HeadMaster On-Line:

- ✓ If you have questions about your child's grade, please contact the individual teacher who teaches that class. All teacher e-mail addresses may be obtained from the school website. The addresses are listed under Staff Resources.

HONOR ROLL

Students who maintain an A or AB honor roll will be recognized at the end of the first, second, and third nine week grading periods.

CHEATING

The BCA Code of Conduct states that all academic pursuits will be the result of a student's efforts and not that of others. In the event it is determined that a student has been cheating, the following discipline procedures will be taken:

- * The student will receive a zero on the assignment or test.
- * The principal will be notified and the student will meet with the principal.
- * Parents will be contacted by the teacher.

- * If the student holds a leadership position in the class, a club, or on a sports team, they will lose this position.
- * A second offense may cause the student to automatically fail the class for that grading period.

PARENT-TEACHER CONFERENCES

- * Parents of all elementary students will attend a required conference at the end of the first nine weeks grading period at which time report cards will be issued.
- * Teachers are *unavailable* for conferences between 7:40 and 8:00 am each morning.
- * A conference may be scheduled at any time of the year if requested by parents or teachers. Please contact your child's teacher to schedule a convenient meeting time.
- * Teachers will be happy to talk to you by telephone if you will call the office and leave your number for a return call, or send a note by your child.
- * All notes to teachers should be in a sealed envelope.
- * Please NO SURPRISE CONFERENCE VISITS!
- * Teachers may be contacted by e-mail. BCA maintains e-mail accounts for all teaching staff members. E-mail addresses may be located from the academy website.

STANDARDIZED TESTING

In the spring of each year, Bethesda Christian Academy will administer the Stanford Achievement Test to students in grades Kindergarten and above as one measure of student progress and of teaching effectiveness. We may also require students applying to BCA to take a standardized test as an aid to proper placement. Algebra I students will complete the North Carolina End of Course Algebra I Test.

TUTORING SERVICES

On sight staff tutoring services are available for students who may need additional assistance with schoolwork. It will be the parent's responsibility to acquire and pay for these additional services for their students. A list of teachers who are available for tutoring may be obtained from the academy office. Private company tutoring recommendations are also available from the academy office.

FIELD TRIPS

Field trips are used to enhance the BCA academic program. Parents are invited and encouraged to attend these trips. Due to the fact that field trips are designed for a specific grade level, we ask that older or younger BCA siblings not attend.

If a field trip requires travel out of the state of North Carolina, the BCA bus will not be used. Chartered transportation may be secured. In addition, chartered transportation may be required in the event we are unable to secure a BCA bus driver for a specific trip.

If you feel that your child should not attend a specific field trip, they will need to complete a written report on the subject covered by the trip for the absence to be excused.

Electronic devices (other than cell phones) are not allowed on any BCA field trip.

DISCIPLINE

Because we encourage respect for individuality and diversity, our goal in the administration of discipline is to **correct** – thus directing the child toward right behavior rather than simply to **punish** the child for wrong behavior. Teachers will establish rules and methods for classroom control, and will seek to exhibit an attitude of love toward the misbehaving child even while disapproving and correcting the action.

Students are expected to make every effort to practice self-discipline. We feel that students should conduct themselves so that mutual respect is displayed for all individuals so that a climate for learning may be established. Each teacher has a set of class rules posted and follows a set of specific behavior plans. At the beginning of the year, parents will have the opportunity to discuss grade level policies and individual classroom rules with their classroom teacher. Parents will be invited to take a role regarding their child's school behavior since a strong collaboration between school and home maximizes the child's chances of school success. We are proud of our student's behavior. We hope that you will support us in our efforts to enforce an effective discipline program.

6 demerits = 1 hour after school detention

Teachers will turn in demerit slips to a BCA Staff Representative who will organize and contact parents and students to inform of the necessary after school detention. After school detention will be held each Monday afternoon until 4:00 pm. Parents will be asked to pick their student up at 4:00 or they may go to the after school program. A student who is assigned after school detention will be required to miss any practice/game that may fall on the assigned detention day. Middle school teachers will create a rotating schedule to staff after school detention.

If at any time you have questions or concerns about your child's behavior, please contact the Academy office.

DRESS CODE

The Bethesda Christian Academy's dress code is designed to serve as a guide to parents on the proper attire for students. The Biblical principal of modesty is the standard applied. A student's attire should manifest his/her respect for the school and others by displaying a serious and conscientious attitude about the school and his/her education. Wearing clothing that falls short of this standard tends to negatively influence discipline, manners, habits and overall behavior. BCA seeks to cultivate a higher level of excellence for its students.

Elementary (K-5) Dress Code:

- * All clothing (tops and bottoms) should be sized appropriately – neither too large nor too small.
- * Relax fit jeans are permissible if not torn, ragged **tight fitting or sagging** – no form fitting knit or stretch pants.
- * **Dresses and skirts are to touch the knee when standing.** If a long skirt with a slit is worn, the slit may not be higher than the knee. No dresses are allowed on PE day. Please check your child’s daily schedule.
- * Shirts should be long enough to cover the waistband of pants when sitting, standing, or bending over.
- * Tank tops, halters and exposed midriffs are not acceptable.

If shorts of appropriate length cannot be found students should wear pants or capris. Shorts, pants or skirts should not have printed words running across the seat of the clothing.
- * Socks and tennis shoes are required for physical education class. Sandals with a heel strap are permitted. Sandals without a heel strap should not be worn to school.
- * Hair must be kept neat and clean. Boy’s haircuts should not be over the collar in the back and should be off the eyebrows and ears.

INTERNET ACCEPTABLE USE POLICY

Bethesda Christian Academy provides a computer lab with Internet access for students, faculty, and staff. The Internet allows students the opportunity to enhance educational activities, to expand research capabilities, to learn new concepts, and to promote life-long learning.

The following Acceptable Use Policy sets guidelines for student, faculty, and staff usage of the Internet. Each year, students who will be accessing the Internet must acquaint themselves with this policy and sign the Acceptable Use Agreement. In addition, parents will be asked sign this agreement. BCA may revise this policy as deemed necessary. Students, faculty, staff, and parents will be made aware of changes which have been implemented. Usage of the Internet is a privilege, not a right, and violation of this policy may result in the loss of privileges to use the computer lab and access the Internet.

Acceptable Uses

Usage of the Internet should be guided by the BCA General Code of Conduct which states that students will at all times exhibit Christ-like behavior. Students will be instructed in the proper usage of Internet resources. However, the ultimate responsibility for student actions while using the Internet rest with the student and their parent/guardian.

The following guidelines detail acceptable usages of the BCA computer lab and the Internet.

1. Users must respect the privacy of others. Users shall not intentionally obtain copies of or modify files, passwords, or data that belongs to anyone else. Users should not represent themselves as someone else by using another's account. No one should forward material from the Academy without prior consent of administration or technology coordinator.
2. Users must respect the integrity of computing systems. For example, no one should develop programs that harass other users or attempt to infiltrate a computer or computing system.
3. No advertising for profit or campaigns for political office are allowed.
4. Users must respect the rights of others and not use language that is abusive, profane, or sexually offensive.

5. E-mail is not guaranteed to be private. Messages dealing with illegal activities may be reported to the appropriate authority.
6. Users must exercise care in protecting their passwords. Any abuse of a staff member's account by someone else is the staff member's responsibility. Staff members who believe that someone else may have their password should immediately change it and report the problem to the system administrator.
7. Users must abide by all existing federal and state laws regarding electronic communication. This includes, but is not limited to, accessing information without authorization, giving passwords out, or causing a system to malfunction.
8. Access to the Internet is a privilege. Anyone found using access in a way deemed inappropriate will be denied privileges and may be subjected to disciplinary action, including termination of privileges.
9. Students should not reveal their name, address, personal information, and school name when using the Internet.
10. Students are to use the Internet for educational purposes only.
11. Students should not store any inappropriate, illegal, or obscene material on school owned equipment.
12. Students should not access their e-mail accounts from school owned computers. In addition, students should not access personal Web pages or Web logs (blogs).
13. Without prior staff approval, downloading of music to a school owned computer or personal music device is unacceptable.
14. Students are not allowed to visit Internet game sites without the permission of a staff member. If students are given permission to access Internet game sites, there will be an acceptable list of sites provided to them.
15. Students must appropriately cite all information taken from an Internet site.

MONITORING

BCA staff will strive to consistently monitor computer and Internet usage. The BCA lab is equipped with a Web-blocker program. As efficient as this may be, there is no guarantee that it is 100% effective. At no time should this program be disabled. If staff members need additional access to the Internet, they may use one of the administrative computers which does not have a blocking system installed on them.

DISCLAIMER OF ALL WARRANTIES

BCA can in no way guarantee the services provided by school access to the Internet or school computers. BCA is not responsible for any damages an Internet user might suffer. BCA accepts no liability in connection with data loss resulting from viruses, backup device failure, interruptions in service, delays, non-deliveries, failure to deliver, or mistaken deliveries. Information obtained from the Internet is used at the user's risk. BCA is not responsible for the accuracy of information obtained through school provided Internet service.

PERSONAL INTERNET USE

Families must recognize that home and personal usage of the Internet may have an impact on the academy, staff and other students. Students who send threatening messages

to or about another student or who post inappropriate items on social web sites may face school discipline if this action causes a disruption to the operation of the academy.

PENALTIES FOR IMPROPER USE

Any user violating this policy may be restricted from usage of BCA computers or BCA Internet access.

Prompt action will be taken and emergency personnel will be called if deemed necessary. Accident reports are completed by individual staff members. A copy of the accident report is sent home with each child and a copy is placed in the academy office.

PARENT TEACHER FELLOWSHIP

Participation in your child's school life at BCA is a key ingredient for a successful educational experience. Our parent-teacher-association is the Parent Teacher Fellowship. It provides parents with opportunities to become involved in important projects and activities. Each parent is expected to be a part of PTF and to serve on at least one committee. Detailed information is given out at the beginning of each school year to describe the various ways parents can become involved with the PTF.

The PTF is made up of parents, teachers, and academy staff who desire to work for excellence through services to our school. Its activities are coordinated by PTF officers and representatives from parents, teachers, office staff, along with the Academy Administrator or his designee. The objectives of the PTF are:

1. To provide a forum for Bethesda parents and teachers to meet together to promote better communication and to share in Christian fellowship;
2. To provide ongoing education for parents and others to the philosophy, ideals, and goals of Christian education;
3. To coordinate school fund-raisers which provide revenues for otherwise unbudgeted items or services for the academic program;
4. To provide an opportunity for students to perform and otherwise demonstrate special skills learned during the year.

PTF Committees include:

- **Booster/Sports Committee** organizes and executes the needs of the middle school sports program. Responsibilities include: maintaining and operating the concession stands and admission stands at various sporting events; planning the Sports Banquet held at the end of the school year; and assisting with fundraisers for the athletic program.

CRISIS MANAGEMENT

BCA has a plan in place for natural disasters, bomb threats and emergency situations. This plan is a part of the Staff Manual and is located in the academy office.

GENERAL SCHEDULE

SCHOOL YEAR

A school calendar will be issued at the beginning of each school year. Although we are sensitive to the needs of parents who have children in public school as well as at BCA, there will be some departures from the Durham Public School Schedule. We follow recommendations of the Department of Non-Public Instruction for North Carolina as we prepare our school calendar.

INCLEMENT WEATHER AND SNOW DAYS

On days of heavy snowfall, icing, or other hazardous weather conditions, closing and re-opening announcements will be made on the following radio and television stations:

WRAL-TV (Channel 5)	WRAL Radio (FM 101.5)
WTVD-TV (Channel 11)	www.bcacrusers.org

We will attempt to use the BCA Saf-T-Net phone system to inform families of closings, delays and/or re-openings.

Makeup days will be determined by the administrator and the School Board. There will be no after school care provided on days that BCA must close early due to inclement weather.

BEFORE AND AFTER SCHOOL CARE

- * Before school care begins at 7:30 am and last until 7:40 am
- * There is no charge for before school care
- * Full time after school payments are made through FACTS tuition management. Families are charged 9 equal payments from September through May. Each payment is \$159. This amount will be added to your FACTS tuition bill during these nine months.
- * Middle school and elementary students using after school care on an as needed basis will be charged \$40 per week if they attend three or more days during the week and \$9 per day if attend one or two days per week. These payments are due on the last day of each month. Payments may be placed in the academy office drop box.

DROP-OFF AND PICK-UP PROCEDURES

- * All kindergarten through second grade students must be brought into the building each morning. This ensures that the children safely get into the building and find their classroom. This procedure will also allow great opportunity for you to familiarize yourself with you child's teacher and help keep you up to date on things that are going on at the academy.
- * **To encourage personal responsibility, we strongly suggest that students unpack their belongings and enter classrooms alone. Teachers will be stationed at the door to assist you.**
- * Third grade students and above may enter the building alone and proceed directly to before school care until 7:40 or to their classroom after 7:40. It is highly encouraged that parents come into the building at least once a week just to make sure they are not missing important posted information.
- * **If you are coming into the building with your child, please park in the parking lot and not in the drive in front of the school.**
- * If you are dropping you child off, please circle through the drive way located next to the school to let you child get out of the car. Please do not let your child run from the parking lot into the building.
- * **PARKING IS NOT PERMITTED IN THE DRIVE WAY LOCATED NEXT TO THE BUILDING.**

DISMISSAL PROCEDURES

- * If your child will be picked up at 2:45 or 3:00 please take part in the car line.
- * Teachers will be available the first two weeks of school to help direct traffic in the parking lot. If everyone will use the carline this will make end of the day pick up much easier, faster and safer!
- * Students in kindergarten-4th grade may be picked up at 2:45 pm.

- *Students in 5th grade and above may be picked up at 3:00 pm.
- * If you have a child in the 2:45 pick up time and a child in the 3:00 pick up time, please wait and pick up both children together at the 3:00 pm time.
- * Parents of students in grades 5 and above should not enter the pick up line until 2:55. If you arrive early, please wait in the parking lot until the appropriate time.

FUNERAL DISMISSAL

Occasionally there is a BBC funeral which lasts past dismissal time. In the event of a funeral, we will place notices on the glass windows of the entrance doors the morning of the funeral. In the afternoon, instead of picking your child up on the school side of the building, you will enter the parking lot from the Ellis Road side and form a line beside the daycare building. The staff will bring the students to that side of the building to be placed in your car.

Parents of students in grades three and above should always look on the doors of the school as they drop their students off to see if there are any notices posted (other important notices are often posted on these doors.)

GENERAL FINANCIAL

REGISTRATION FEE

- * An annual non-refundable registration fee is charged for each student who registers for the upcoming school year.
- * Registration for the next academic year will begin no later than the beginning of February each year and the fee is due at this time.

APPENDIX

THE WAY OF SALVATION

While happiness is something that every human being seeks, we learn all too soon that it can be a fleeting thing, quickly replaced in its turn by despair and difficulty. But as hard as those can be to handle during our short time on earth, imagine being trapped in anguish and despair for all eternity!

Our choice is not whether we will live forever, but where. When the final judgment comes, there will only be two kinds of people, not “good” or “bad”, but saved and lost. Each of us gets to choose which we will be.

OUR CONDITION

Romans 2:23 (Psalm 14:1-3)

Whether you think of sin as rebellious against God or just “missing the mark”, every single one of us is a sinner, because we are unable – often **unwilling** – to meet God’s standard or keep His law.

OUR NEED

A. What we have earned – Romans 6:23 (Romans 4:4)

When we work we expect a wage, which is just payment for our labor. The bad news is sin also bears a wage. **Death.** Death is not just a physical separation from this earth. It is also a spiritual separation from God's aloneness for all eternity.

B. What we cannot earn – Isaiah 64:6

Having sinned and earned a death sentence as a consequence, we may think it possible to rebalance the scales by doing more (or doing only) good deeds. The really bad news is that we are powerless to cover over past wrongs with present good, or to "un-break" God's law.

GOD'S PURPOSE AND PROVISION

A. His purpose: John 3:16 (2 Peter 3:9)

The good news is that God has provided for our rescue, not because we are worthy, but because he loves us-every one of us- and unwilling that any should perish. We can now choose **everlasting life** over **everlasting death.**

B. His Provision: Romans 5:8-10

The **great** news is He **didn't wait until we got better** before He made our rescue possible. He did it while we were still His enemies. We can come just as we are.

OUR RESPONSE

The prison gate has swung wide – we need only walk through, turning out back on sin, as God does: receive Christ into our life; trust in His sacrifice alone, and commit to being obedient to Him out of love.

- a. **Repent** – Acts 2:37, 38 and 3:19
- b. **Receive** – John 1:12
- c. **Believe/Trust** – Romans 10:9-10
- d. **Commit** – Romans 10:13
