

Welcome to 2nd Grade!! 2017/2018

Dear Future 2nd Grader and Family,

I am delighted to welcome you to the 2nd grade. We will have a challenging, exciting, and amazing year as we learn about the colonial days, how to multiply, and how to write cursive. I am ready to partner with you to make this an enjoyable and productive year!

I cannot wait to begin our journey! You will be ready for the adventure by making sure you have all the supplies needed by the day of Open House or the first day of school. Please pray for our year and I will do the same.

Please remember to read, read, and read some more and continue to practice your addition and subtraction facts. I need you to know these facts before school starts. Enjoy the rest of your summer and I will see you soon.

Your future 2nd grade teacher,
Mrs. Lemons
