Dear Middle School Parents and Students,

Welcome back to Middle School! We hope you have had a wonderful summer complete with rest and relaxation. Now it is time to get ready for a new and exciting school year.

Middle School is a fun, yet challenging time period. It is an opportunity for you to continue to grow academically independent, socially responsible and spiritually strong. We, your teachers, have been praying throughout the summer for a successful school year.

You will find the supplies you need for the upcoming year listed on the reverse side. You will need to have your supplies on the first day of school. Some supplies may need to be replenished as the year progresses. Please pray for BCA as we prepare to do our very best this school year.
