Ideas and Tips for Reading with Children

- * Read aloud to your children, even when they begin to develop the ability to read independently.
- * Have children read to you or to other children in the family.
- * Find books on topics your child will enjoy: pets, sports and outdoor activities, etc.
- * Reread favorite titles.
- * Be a reader yourself; children often follow the example of parents.
- * Help your children begin their own library
- * Help your children get their own library cards from the public library and take them to the library often.
- * Set aside a special time for reading each day. This time should be seen as fun, not a chore or summer homework.
- * Encourage your children to read their own stories or poems aloud.
- * Bring many books and magazines along on car trips and vacations.
- * Start a book group in your neighborhood. Take turns reading aloud and encourage discussion of the books. Let your children choose some of the titles.
- * Visit local bookstores and watch for children's author visits to these stores.
