Student LMS Access

FACTS LMS gives you an opportunity to use the Learning Management System (LMS) to interact with a classroom environment – all via the Internet!

FACTS LMS is a private and secure student area that will allow students to connect with students and teachers online, including accessing class materials, uploading assignments, participating in classroom discussions, and taking quizzes.

Here's how to create or login an **LMS login**:

1. In Chrome, Firefox, Safari, or Internet Explorer go to www.factsmgt.com and click **Parent Login**, then select **FACTS Family Portal (ParentsWeb)** or use the link on the site: **start.bcacrusaders.org**
2. Type the school's **District Code: BETH-NC**
3. Click on the **Student** tab. If you need to create an account, follow steps 4-8. If you already have a login you will enter the system after you click login.
4. Click **Create New Family Portal Account**.
5. Type the student's email address and click **Create Account**. An email will be sent which includes a link to create the login. The link is active for 6 hours.
