Statement of Cooperation:

1. It is required that parents or legal guardians pay tuition for each registered student in the amount stated on the Schedule of Fees for the current school year. The annual tuition is divided into eleven equal payments, due on the first of every month from July 1st to May 1st. I understand that in any month in which my tuition payment is not received by the 10th, a \$20.00 late charge will be added to the amount due that month. I further recognize that if I fail to bring my account current by the end of the month, my student(s) may no longer attend class until I do bring it current, including late charge.
2. I understand that no refund will be made on registration fees.
3. I hereby give the teachers and principal full discretion in the Biblical discipline of my child/children. I understand that corporal punishment will not be administered by school personnel. Likewise, I understand that if my student must be suspended, I will be called to take him/her home.
4. I agree that the school may reserve the right to dismiss any student who will not cooperate with the educational process, or whose parents or legal guardians refuse their cooperation.
5. I understand that I will be liable for any damages my child causes to school or church property.
6. I give permission for my child to participate in all school activities, including school-sponsored trips away from the school premises (field trips). I further absolve the school of any reasonable liability - to me or to my child - for injuries while at school or during any school activity. I understand that the school has purchased School Time Accident Insurance for each student.
7. In case of serious illness or other emergency, I ask that the school staff try to reach me. If the school cannot reach me or my child's doctor, I give permission for the staff to take whatever steps they deem necessary.

I (we) have filled out the Enrollment Application, have read both the Statement of Faith found in the Handbook and this Statement of Cooperation, and have attached the fee for registration. I (we) hereby authorize Bethesda Christian Academy to process the completed application for acceptance.
