

BCA Afterschool Club Descriptions for Fall ,2018

Calligraphy/ Hand Lettering 101: Mrs. Gibson will be offering this amazing opportunity. Learn the latest craze of fancy hand lettering! We will start with the basics of calligraphy and then move into different types of lettering. We will utilize our lettering skills to complete different practice projects. Students will receive a practice sketch book and a variety of pens. This club is for students in grades 4-8.

STEM Club: It is time to focus on SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS! These students will use a variety of materials to create simple machines and structures. If you are creative or love science, this club is for you. Mrs. McDonald will use the medium of art to answer questions related to science, technology and math. This club is for students in grades K-2.

Cooking Club: Mrs. Phipps will be teaching students the fabulous art of healthy cooking. Students will create six unique, healthy and kid-friendly snacks that they can then share with their family. This club is offered for students in grades K-5.

Basketball Club: Mr. Overcash will be teaching boys and girls the fundamentals of basketball, team building and conditioning. Come and enjoy this active club for students in grades 2-5. This club is sure to be a hit, so register early!

Soccer Shots: Soccer Shots is an outside organization that works with students in grades K-2 to develop soccer skills, cooperation and team building. If you are interested in your child attending this club, you will need to log onto their site at rdu.sereg.org and look for Bethesda Christian Academy. We have partnered with Soccer Shots for several years and are very pleased with the program they offer our young students.
