Note from our Principal

Unprecedented Warmth!

These words best describe how I feel at BCA. Since I joined the amazing team at BCA in July, I have been welcomed with open arms by staff, students, and families. Each day, I get to walk into our building with a dedicated staff and excited students. Each day, our staff meets to divide God's word and pray over our school and your family. Each day, I am so very thankful for you and thankful that God has provided this school for each of us.

With so much support, it is easy to focus on areas that will make our school an even better experience for your child. One of the biggest advantages for a K-8 or K-12 school is consistency. I want to say that we are working hard to increase consistency. This is incredibly important if families have multiple children here or as we continue making the transition to high school. We will do our best to communicate any updates or changes at our school well in advance. We have been and continue to work on plans for the high school. Thank you for sharing our vision and supporting the amazing ways God is blessing us. If you ever need to communicate with me, please feel free to call or email me.

Exciting News

God continues to work through the ministry here at Bethesda. Bethesda Christian Academy is excited to announce the launch of our high school for the 2021-2022 academic school year.

We are asking that BCA families do the following:

- PRAY** for the opening of the high school.
- PLAN** to enroll your 8th grade student to be a part of BCA's inaugural freshman class.
- PROVIDE** financially by supporting our fundraising efforts that begin September 8th.
- PROCLAIM** how Christian Education has benefited your family and encourage others to become a part of BCA.

It's ALL about HIM at BCA

Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths.

Proverbs 3:5-6

Our key verse this year is Proverbs 3:5-6, according to Webster's Dictionary, the word "all" means the whole amount, quantity, as much as possible, every member or individual component of. BCA desires to be "all" about Jesus each day; academically, emotionally, physically and most importantly spiritually.
