## BCA Family Discount Procedures

Joseph Adams said, "There are obviously two educations. One should teach us how to make a living and the other how to live." I am honored to be a part of a learning community that feels our job is to work together to train students to be competent, solid Ambassadors for Christ. The School Board of Bethesda Christian Academy desires to continue offering, "Growing Crusaders" for the 2018-2019 year. If you recommend BCA to a new family and they enroll for the upcoming year, BCA will reapply \$275 of your re-registration fee towards tuition for the upcoming school year. If the new family enrolls mid-year, you will receive a pro-rated credit based on the percentage of time the family is enrolled.

To receive this discount the current family must:

- A. Be responsible for the new family's enrollment by introducing them to the school in some fashion: by inviting them to a tour or other event or by encouraging them to stop by the school or call for an application packet.
- B. Complete a Finder's Discount Card and submit it to the office. Both the current family and the new family should sign this paper.

BCA will only be able to honor one current family per new family, so go spread the good news about the best Christian school in the triangle.
