

SCHEDULE OF FEES FOR 2018-2019

RE-REGISTRATION FEE

*A yearly, non-refundable registration fee of \$375 is due with the re-registration form. **STUDENTS WHO REGISTER BEFORE FEBRUARY 15th MAY TAKE ADVANTAGE OF THE EARLY REGISTRATION FEE OF \$275.** For students who re-register after February 15th, the re-registration fee is \$375.*

Current families are our best advertisement. If you recommend BCA to a new family and they enroll for the upcoming year, BCA will reapply \$275 of your re-registration fee to your yearly tuition. Both families will need to sign the Family Recommendation Form.

REGISTRATION FEE FOR NEW FAMILIES

A yearly, non-refundable registration fee of \$375/per student is due with the registration form.

TUITION RATES

Tuition payments are non-refundable.

	12 Monthly Payments	11 Monthly Payments	Yearly Tuition
Elementary K-5	\$559.75	\$610.64	\$6717
Middle School 6-8	\$617.59	\$673.73	\$7411

Tuition Discounts: BBC members and families with multiple children receive a 6% discount in tuition. In families with multiple children, the oldest child pays full tuition and each younger sibling receives the 6% discount.

	12 Monthly Payments	11 Monthly Payments	Yearly Tuition
Elementary K-5	\$526.17	\$574.00	\$6314
Middle School 6-8	\$580.50	\$633.27	\$6966

BCA hires personnel based on student enrollment as of May 31 of each year. If you should withdraw your student after tuition payments begin in June, tuition payments are non-refundable.

CAPITAL IMPROVEMENT FEE

Each family will be charged a \$200 Capital Improvement Fee. This fund will be used to make enhancements to our current facility as well as help us prepare for future projects. This \$200 will be evenly divided among your monthly tuition payments.

TUITION

Each student's tuition fee covers monthly tuition payments, textbooks, technology fee, a BCA t-shirt, cultural arts activities for elementary students, or the cost to attend the annual middle school retreat.

Families who make monthly payments

BCA tuition payments are handled by FACTS Tuition Management Services. All families, except for those who pay for the entire year, are required to sign up with FACTS. Each year there is an enrollment fee for this service. Below are the FACTS guidelines:

1. You may have your bank account drafted on either the 5th or the 20th of the month. **These are the only options available to the academy.**
2. You may select to pay tuition by using your credit card. If you wish to use your credit card, you will be charged the convenience fee for using the card in addition to the monthly tuition payment.
3. Late tuition payments will be charged a \$25 late fee.

Returning families will use their current FACTS account. During the last part of April, BCA will enter the financial information – yearly tuition fee, monthly payment amount as well as the Capital Improvement fee for the upcoming school year. The yearly FACTS registration fee will be drafted in May with tuition payments beginning in June.

Upon successful completion of student testing and family interviews, newly accepted families will receive an acceptance letter. The next step in the new student registration process is to complete all FACTS information by going to www.bcacrusaders.org. Under the parents tab, select Pay Your Tuition and complete the FACTS registration process. Parents should print a copy of their FACTS confirmation form and provide a copy to the academy office to complete the acceptance process. Be sure to keep a copy for your records to allow easy access to your FACTS account throughout the year. During the last part of April, BCA will enter the financial information – yearly tuition fee, monthly payment amount as well as the Capital Improvement fee. The yearly FACTS registration fee will be charged or drafted in May with payments beginning in June.

Tuition payments begin in June. Families who have completed registration by May 15, 2017 may have the option of making tuition payments for either 11 or 12 months. The twelve month option begins on either June 5th or 20th and ends on either May 5th or 20th. The eleven month option begins on either June 5th or 20th and payments are made on that same date in July, August, September, October, November, December, February, March, April and May (no January payment).

Families who make lump sum payments

Families who desire to pay tuition in a lump sum should make either a full year or half year payment by August 1, with the remaining balance being due on January 1. Additional fees for these families such as the Capital Improvement fee, afterschool, field trips, sports or band will be added to the families BCA in house account. The balances of these account may be accessed by logging into the Grades on Line screen for the family. Systematic payments should be made to the academy to cover these additional fees.

Families who register after June 1st will talk with the academy administration to determine the number of monthly payments to be made.

Families who register after August 1st will pay the registration/re-registration fee and the first month's tuition during the month in which they register.

AFTER SCHOOL

* Full time elementary after school fees will be \$200 per month beginning in September and ending in May. Full time students will have their after school fees collected by FACTS beginning in September.

* Weekly rates are \$50 per week. If a student attends three or more days during the week, they will be charged for the entire week. The daily rate is \$12 per day.

* Middle school students in need of after school care will be charged a weekly or daily fee. If a student attends after school three or more days during the week, they will be charged \$50 for the week. The daily rate is \$12 per day.

* Part time students and middle school students will have their FACTS account charged the first week of the month after charges are incurred. This means the payments will be drafted the month after students attend afterschool. Afterschool charges for May will be charged to the FACTS account and this payment will be drafted in June.

FINE ARTS PROGRAM

In an effort to help parents manage finances and reduce check writing, band and sports fees will be added to individual FACTS accounts.

* Yearly band fees are \$55. Additional charges may be incurred during the year for supplies. Middle school students will be charged an additional fee if they attend All State Band or the end of the year band competition.

* Students participating in sports pay a \$55 fee per sport. Once teams have been selected for each season, the sports fee will be added to individual FACTS accounts.

ADDITIONAL EXPENDITURES

* Hot lunch will be offered each day at a cost of \$3.75 per day. Each family will be asked to set up a lunch account for their child. Initial lunch payments will need to be made by August 16th. Families will receive e-mails to advise them of low lunch balances. In addition, lunch balances are listed on the families Grades on Line screen.

* Each elementary class may take three field trips per year. When taking field trips more than one hour from the academy, transportation may be chartered which will increase the cost of the trip. The average cost ranges from \$50 in kindergarten to \$200 in fifth grade.

At the beginning of the school year, each family will be provided with a list of field trips for the upcoming year. Parents will be asked to indicate which trips they will attend and pay a deposit for their student and themselves. The remainder of the field trip charge will be added to the FACTS account and monthly payments will be drafted.

* Middle school students will attend a Middle School Retreat and one major overnight field trip. The cost of the overnight field trip is projected to be between \$225 and \$300. Information detailing the trips and the cost will be provided to students in the welcome back to school packets which they receive in July. Reservations and a deposit will be due by the beginning of the school year. The remainder of the field trip charge will be added to the FACTS account and monthly payments will be drafted. The academy pays for the Middle School Retreat.

* Optional school pictures are available twice a year.

* Middle school students will be required to provide a personal lap top. BCA realizes that students may have to have their laptops repaired during the school year. However, if a student should need to borrow a school lap top for more than two weeks, the family will be charged a \$5 per day technology fee for the student to borrow an academy lap top.

* BCA yearbook.
