

Welcome to 2nd Grade!

2019/2020

Dear Future 2nd Grader and Family,

We are delighted to welcome you to the 2nd grade. We will have a challenging year as we learn about the colonial days, multiplication, and how to write in cursive. We are ready to partner with you to make this an enjoyable and productive year! In order to have the most successful year, we need to prepare. Please collect all supplies and have them ready by open house or the first day of school.

This year 2nd grade will be taught by Mrs. Bowen and assisted by Mrs. Barbee. Many of you have had the pleasure of meeting Mrs. Barbee and participating in her class and know she will be a great asset to the team.

Although school is out for the summer, you need to keep reading throughout the summer. Research has shows that students can drop two reading levels if they do not read throughout the summer. Barnes and Noble has a great program that offers a free book if a child completes their summer reading log. Have a great rest of your summer, and we cannot wait to see you soon!

Your future 2nd grade team,

Mrs. Bowen and Mrs. Barbee
