STATEMENT OF EDUCATIONAL PHILOSOPHY/BELIEFS

The Bethesda Christian Academy philosophy of education is distinctive. Its uniqueness lies in its core convictions about the nature of God and the nature of man. This uniqueness determines the distinctive aspects of the Christian education offered to each student. Our philosophy is prayerfully designed and undertaken, in dependence on the Holy Spirit, to accomplish these primary things: to **inform** the student's mind and to **affect** the student's heart.

The student whose mind is **informed** by the Scriptures and whose heart is **affected** with a love for Christ will be equipped to live obediently, with wise and courageous effectiveness. That student will carry the banner of God's truth into his world.

The two core convictions of our Philosophy of Education are as follows:

First, there is one true God. He has revealed Himself in the Scriptures of the Old and New Testaments as the eternal, all-powerful, Creator-God.

Second, each student--although created to live in intimacy with God--is born with a sinful nature. This fallen nature affects every aspect of his or her being, resulting in rebellion against God's authority and truth. The student, therefore, seeks to live in self-sufficiency and independence of Him. Although deeply fallen, he or she is greatly loved and highly valued by God, as demonstrated in the saving work of Jesus Christ.

These two core convictions have implications for every area of both the content and atmosphere of this school, and are visible in **four distinctive aspects of our Philosophy of Education:**

The first distinctive lies in our **commitment to ground each student in a Biblical World View**. Each student will be prepared by this grounding to understand, evaluate and--in a wise and influential way--relate to the world in which he or she lives. The goal is for the student to think like Christ as he or she faces the issues of life. The world in which the students are called to live will be increasingly hostile to Christian truth and character. It will continue to advocate secularism, humanism and anti-Christian values as it attempts to find solutions to complex social, political and moral issues. In a world where Christian truth no longer holds prominent influence, students will find a Biblical World View essential to their being able to articulate their faith in a compelling and effective way, and thus will bring Christian influence to this world.

The second distinctive is **a commitment to academic excellence**.

Our commitment to excellence goes beyond the traditional approach of memorizing factual information. This commitment encourages such things as understanding, insight, wisdom, critical thinking and decision-making skills. This emphasis will be applied to every subject and every issue studied by the student as we instruct and prepare our

students with a college preparatory style education. This quick-paced technique will include adequate homework, projects, oral presentations, as well as formal evaluation.

Our goal is to expose students to such a depth and breadth of knowledge that those who are so equipped will gain the ability to think innovatively and independently, while understanding a broad range of subjects. The result will be a student with a Biblically-informed world view who can think critically, and can understand, evaluate and apply sound judgment to the issues in a wise, constructive and Christ-honoring way.

A **commitment to partnership** - both with the parents of the student and with the family's local church-makes up the third distinctive, springing from the conviction that the student will not develop to his or her full potential without the complete co-operative involvement of all three influences: Parents, Church, and School. There is no question: parent and church participation are essential to every student's whole education.

Bethesda Christian Academy, therefore, encourages parents to be involved in both the school's ministry and in their child's education. And to enable real involvement, one ministry of the Academy will be to equip parents to understand both the material taught and the methodology of the instruction. Information will also be shared and emphasis placed on Christian child development, in order to give parents support in their primary responsibility of instructing and nurturing their children.

The fourth point of distinction is our **commitment to establish an atmosphere--and demonstrate a sense--of genuine love, acceptance, and concern for each student.**

This atmosphere of acceptance will create the context within which each student will feel secure and loved, and within which the Holy Spirit can minister to each child. Recognizing that each child is unique, and has been gifted differently, this nurturing atmosphere will enable each student to identify and develop his or her gifts. Also....teachers, aides, administrative staff, other students and parents will be encouraged to model and promote a personal, saving relationship with Jesus Christ as the foundation for a godly life.

Out of the nurturing, encouraging atmosphere will come students who not only know Jesus Christ as Savior, but who are also motivated with a love for learning, a willingness to assume personal responsibility for their behavior and a respect for God-ordained authority.

school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or discontinue enrollment of a current student. This includes, but is not necessarily limited to, living in, practicing, condoning, or supporting sexual immorality, including but not limited to, homosexual acts, bi-sexual acts; gender identity different than the birth sex at the chromosomal level; promoting such practices; or otherwise the inability to support the moral principles of the school (Leviticus, 20:13a, Romans 1:27, Matthew 19:4-6).

TEACHER QUALIFICATIONS AND GOVERNMENT STANDARDS

TEACHER QUALIFICATIONS

We seek to only employ teachers qualified by education and training for their positions- including appropriate college degrees and/or state and ACSI certification. But their most important qualifications are that they are **born again** (John 3:3-6 and 1 Peter 1:3), and that they are **called to teach** a Christ-centered curriculum in the context of a Christian school.

GOVERNMENT STANDARDS

BCA meets the standards set forth by the Fire, Health, and Safety Department of North Carolina. It is not certified by the state because that would require the teaching of specific curricula that are in conflict with our beliefs and stated goals. BCA is recognized by the state of North Carolina as an accredited, private, religious school.

The Academy also meets the standards set forth by the Federal Government regarding racial non-discrimination. We do not discriminate with respect to race or national origin, either in the hiring of employees or the enrollment of students.

CRIMINAL BACKGROUND CHECK

BCA performs a criminal background check on all employees. Background checks will be performed on all coaches, bus drivers, and volunteers who have unsupervised access to students.

ASSOCIATION OF CHRISTIAN SCHOOLS INTERNATIONAL (ACSI)

ACSI is an internationally-recognized accrediting body and resource for Christian schools of which BCA is a member. BCA obtained full dual accreditation from ACSI as well as AdvancED during the 2005-2006 school year. We have continued to meet all requirements to maintain this accreditation status. Of the many services they can provide, two are of special significance to us:

1. **Accreditation** - By conforming to the high standards set by ACSI and submitting to their evaluations, we will help assure our students that their BCA studies will receive transfer credit when they transfer into other schools or school systems.
2. **Continuing Education for Teachers** - Each year, ACSI offers courses which provide teachers from member schools continued training, by which they may keep their skills sharp and learn additional skills. ACSI training also meets the continuing education requirements for state-certified teachers.

OFFICE SCHEDULE

BCA's office is open from 8:00 am-4:00 pm, Monday through Friday. If you should call outside of these hours, please leave a message and your call will be returned in a timely manner. The academy phone number is 919-598-0190. E-mail addresses for all staff members may be obtained from the academy website at bcacrusaders.org.

ADMISSIONS POLICY

GENERAL REQUIREMENTS

Spiritual Requirements

BCA is a discipleship school seeking to partner with Christian families in the education of their child/children. Parents are asked to read and support the BCA Statement of Faith. Students entering grades one and above will complete a portion of the Terra Nova Achievement Test. Students entering Kindergarten will take a modified achievement test approved by ACSI. These entrance tests are used to determine grade placement and capability for the prospective student to fit the education requirement of the academy.

SCHOOL POLICIES AND ACADEMIC MATTERS

CLASSROOM PRINCIPLES

Both Deuteronomy 6:6,7 and Ephesians 6:4 make it clear that God gives the responsibility for teaching a child to the child's parents. This academy exists to act as an extension of the home and to be a partner with the parents it represents. It does not remove authority from the parents, but rather acts on the parents' behalf.

The following principles are established to provide a classroom environment which will promote learning for everyone:

- ★ The teacher has the authority in the classroom and is responsible to administer discipline consistent with school policy.
- ★ The teacher is also responsible to provide a classroom atmosphere conducive to learning and consistent with school policy.
- ★ Personal citizenship is one of the main lessons in every class and will be encouraged. Students are expected to be responsible, respectful, and self-

disciplined in their classroom behavior.

ATTENDANCE

Since regular attendance is an essential ingredient to the learning process:

- ★ A pupil who is absent must bring a written excuse to the teacher within two days of returning to school. An e-mailed written excuse sent to the office is acceptable.
- ★ Phone calls cannot replace written excuses.
- ★ Penalties will be implemented if a written excuse is not submitted in the appropriate time period. (Refer to unexcused absence penalties.)
- ★ A pupil must be in attendance three and one-half hours (3½) during the day to receive credit for that day.

MAKE-UP WORK

Students who are out of school (for excused absences) will have three days to make up any missed assignments or re-scheduled tests. Elementary students may visit the academy office after 3:00 each day to pick up any missed assignments. Middle school students will be asked to obtain their missed assignment from their individual teachers upon returning to school or they may download them from the individual teacher's web page-if available. If a middle school student is out of school for two or more days, the assignments may be obtained from the individual teacher's school web page. If a student is out of school for more than 1 day, the student or parent should talk with the individual teachers to schedule due dates for missed work or tests/quizzes.

EXCUSED ABSENCES

1. **Verified illness** (*It is our policy that a child must be kept at home for 24 hours after an elevated temperature(100°) has returned to normal. Students should be vomit and diarrhea free for 24 hours before returning to school.*)
2. **Verified doctor or dental appointment**
3. **Bereavement/Wedding (immediate family members)**
4. **Pre-planned trips of an educational nature** that have been arranged in advance. Students have three days, after returning to school to complete all missed assignments. Teachers will issue a date that tests and quizzes need to be made up.

UNEXCUSED AND EXCESSIVE ABSENCES

Unexcused and excessive absences have grading penalties:

*Each unexcused absence will result in the final nine week grade being reduced by 1 point per subject.

Written Excuses: When a child is absent from school, a note should come to school with the child stating why the child was out. If a note is not brought in within two days

of returning to school, the absence can be listed as unexcused. Teachers should turn in these notes to the office on the day they are received. A form is located in the front of the handbook which should be sent home with the student if they fail to bring a note on the day of return. Try to always send the remind notices home with the child if a note does not come to you on the first day the student returns to school.

TARDIES

For students to receive the best advantage of their educational experience, it is important for all students to arrive at school on time. Students who are late begin their day feeling rushed and overwhelmed.

1. Students may begin to enter their classrooms at 7:40 am.
2. Students are considered tardy at 7:55 am and will not be admitted into the classroom without a tardy slip which will be issued from the office.
3. Six unexcused tardies will result in the student not being eligible for perfect attendance. Once the elementary student has obtained four unexcused tardies (within one grading period) the office will contact the parent to inform them that at the sixth unexcused tardy the student will be issued a lunch detention. Each additional unexcused tardy, within the grading period, will result in an additional lunch detention.

Middle School

- 1. If a student has six unexcused tardies to homeroom during a grading period, their grade in their first period class will be lowered by 1 point. If the student continues to be tardy during that same grading period, their grade, in their first period class, will continue to be lowered by 1 point for the next five tardies.**
2. For each six tardies acquired during a single class period, the grade issued at the end of that grading period will be lowered by 1 point.
3. Additional tardies will result in a required conference with the parent, student and administration.

REPORT CARDS

The purpose of our report system is to give parents and students an indication of the progress or lack of progress which is being made by individual students. BCA has a nine-week grading period. Report cards may be held if a student has a delinquent tuition or lunch account, or if a student has outstanding library fines or has not turned in all athletic uniforms.

Grading Scale

BCA uses the following grading scale for grades 1-8:

Letter Grade	Percentage Grade
A	93-100
B	85-92
C	77-84
D	70-76
F	69 & below

Grading Scale for Kindergarten:

- 3 Indicates the student is beginning to work toward the grade level standards. The student needs more time, experience and possible intervention for concepts, processes and skills to develop.
- 2 Indicates the student is progressing toward/approaching proficiency in the grade level standards.
- 1 Indicates the student consistently and independently demonstrates mastery of/proficiency in grade level standards.
- NA Not appropriate to assess at this time.

ELECTIVE GRADES

Kindergarten

0 = Outstanding S = Satisfactory N = Needs Improvement

Elementary

E = Excellent (97) S = Satisfactory (89) N = Needs Improvement (81)

Middle School will receive numeric values for elective classes.

CLASSWORK AND HOMEWORK

- ★ Each teacher may assign homework to aid pupils in learning.
- ★ Homework assignments for elementary students will be left to the discretion of the individual teacher who has been directed to follow a graduated time system of a maximum of sixty to ninety minutes for work per night.

K - 1	25-30 minutes
2 nd grade	30-35 minutes
3 rd grade	35-40 minutes
4 th grade	40-50 minutes
5 th grade	50-60 minutes

6th-8th grade 60-90 minutes

- ★ Homework assignments for middle school students will be left to the discretion of the individual teachers who have been directed to follow a maximum time frame of thirty minutes per subject per night.
- ★ Students in grades six and above are allowed to receive homework assignments on Wednesday nights and weekends.
- ★ Students in grades five and below will not normally receive homework assignments on Wednesday nights or weekends. Unfinished class work may be assigned to students on any given night and will be considered homework due the following day.
- ★ Elementary students may have scheduled test and quizzes on Thursday with three days prior notice.
- ★ Middle school students will not normally have more than two major tests or one test and two quizzes scheduled for the same day.
- ★ Elementary and middle school students may be assigned project work that could be worked on during the week or weekend.
- ★ All work should be clear and legible. A teacher may refuse to accept any work which does not meet these two standards. The teacher may allow the student to resubmit the work for partial credit.
- ★ Written work in every class beginning with grade three is subject to being checked for spelling and grammar. Work may be graded on both content and grammar. Most classroom work will be sent home weekly for parent perusal.
- ★ Elementary and middle school homework that is not completed and returned the following morning will automatically receive a zero. The student will still be expected to complete the assignment with no points given.
- ★ Students will be given up to three days to complete all work, including tests, missed during an absence.

PROGRESS REPORTS

Kindergarten students will receive a mid-nine weeks progress report to inform the parents of the student's progress. Progress reports are to be signed and returned on the following day. Students in grades one through eight will not be issued progress reports due to the fact that individual student grades will be able to be viewed on-line throughout the school year. Grades will be downloaded to the school site on a consistent basis. We ask that parents create a routine of checking student grades once a week. Listed below are step by step instructions for using Head Master On-Line:

- ★ Visit the school website at bcacrusaders.org
- ★ Locate **grades on-line** under the "For Parents" tab.
- ★ Insert your individual username and password, which you received at Open House, into the designated area and select log in.
- ★ You will be asked to change your password the first time you log in.
- ★ Information for the current grading period will appear on the screen.

- ★ If you forget your password, click on “forgot my password” to reset the system. The academy office will not be able to reset your password.
- ★ Click on the words DETAILS to view individual assignments and grades.
- ★ Teachers will place grades in the computer in a timely manner. We encourage you to check grades once a week.
- ★ Students who do not complete and return homework on the date it is due will automatically receive a zero in the grading system.
- ★ If you have questions about your child’s grade, please contact the individual teacher who teaches that class. All teacher e-mail addresses may be obtained from the school website. The addresses are listed under the “Faculty and Staff” tab.

Honor Roll

Students who maintain an A or AB honor roll will be recognized at the end of the first, second, and third nine-week grading periods.

RE-TESTING

Teachers will not be allowed to have students re-take tests unless a large percentage of the class did not perform well on the test. If the class did not perform well, the teacher will review the material and then re-test the group.

CHEATING

The BCA Code of Conduct states that all academic pursuits will be the result of a student’s efforts and not that of others. In the event it is determined that a student has been cheating, the following discipline procedures will be taken:

- ★ The student will receive a zero on the assignment or test.
- ★ The administrator will be notified and the student will meet with the administrator.
- ★ Parents will be contacted by the teacher.
- ★ If the student holds a leadership position in the class, a club, or on a sports team, they will lose this position.
- ★ **A second offense may cause the student to automatically fail the class for that grading period.**

PARENT-TEACHER CONFERENCES

- ★ Parents of students in grades K-5 will attend a required conference at the end of the first nine weeks grading period at which time report cards will be issued.
- ★ Teachers are *unavailable* for conferences between 7:40 and 8:00 am each morning and between 3:00 and 3:20 pm each afternoon.
- ★ A conference may be scheduled at any time of the year if requested by parents or teachers. Please contact your child’s teacher to schedule a convenient meeting time.

- ★ Teachers will be happy to talk to you by telephone if you will call the office and leave your number for a return call, or send a note by your child.

STANDARDIZED TESTING

We may also require students applying to BCA to take a standardized test as an aid to proper placement.

Private company tutoring recommendations are also available from the academy office.

FIELD TRIPS

Field trips are used to enhance the BCA academic program. Parents are invited and encouraged to attend these trips. Due to the fact that field trips are designed for a specific grade level, we ask that older or younger BCA siblings not attend.

If a field trip requires travel out of the state of North Carolina, the BCA bus will not be used. Chartered transportation may be secured. In addition, chartered transportation may be required in the event we are unable to secure a BCA bus driver for a specific trip.

If you feel that your child should not attend a specific field trip, they will need to complete a written report on the subject covered by the trip for their absence to be excused.

Electronic devices (other than cell phones) are not allowed on any BCA field trip. Phones are asked to be turned off during field trips until the appropriate time to contact parents.

DRESS CODE FOR STUDENTS

The Bethesda Christian Academy's dress code is designed to serve as a guide to parents on the proper attire for students. The Biblical principal of modesty is the standard applied. A student's attire should manifest his/her respect for the school and others by displaying a serious and conscientious attitude about the school and his/her education. Wearing clothing that falls short of this standard tends to negatively influence discipline, manners, habits and overall behavior. BCA seeks to cultivate a higher level of excellence for its students.

Elementary (K-5) Dress Code:

- ★ All clothing (tops and bottoms) should be sized appropriately – neither too large nor too small.
- ★ Relaxed fit jeans are permissible if not **torn, ragged, tight fitting or sagging**. PARENT TEACHER FELLOWSHIP

Participation in your child's school life at BCA is a key ingredient for a successful educational experience. Our parent-teacher-association is the Parent Teacher Fellowship. It provides parents with opportunities to become involved in important projects and activities. Each parent is expected to be a part of PTF. Detailed information is given out at the beginning of each school year to describe the various ways parents can become involved with the PTF.

The PTF is made up of parents, teachers, and academy staff who desire to work for excellence through services to our school. Its activities are coordinated by PTF officers and representatives from parents, teachers, office staff, along with the Academy Administrator or his designee. The objectives of the PTF are:

1. To provide a forum for Bethesda parents and teachers to meet together to promote better communication and to share in Christian fellowship;
2. To provide ongoing education for parents and others to the philosophy, ideals, and goals of Christian education;
3. To coordinate school fund-raisers which provide revenues for otherwise unbudgeted items or services for the academic program;
4. To provide an opportunity for students to perform and otherwise demonstrate special skills learned during the year.

CRISIS MANAGEMENT

BCA has a plan in place for natural disasters, bomb threats and emergency situations. This plan is a part of the Staff Manual and is located in the academy office.

INTERNET ACCEPTABLE USE POLICY

Bethesda Christian Academy provides a computer lab with Internet access for students, faculty, and staff. The Internet allows students the opportunity to enhance educational activities, to expand research capabilities, to learn new concepts, and to promote life-long learning.

The following Acceptable Use Policy sets guidelines for student, faculty, and staff usage of the Internet. Each year, students who will be accessing the Internet must acquaint themselves with this policy and sign the Acceptable Use Agreement. In addition, parents will be asked to sign this agreement. BCA may revise this policy as deemed necessary. Students, faculty, staff and parents will be made aware of changes which have been implemented. Usage of the Internet is a privilege, not a right, and violation of this policy may result in the loss of privileges to use the computer lab and access the Internet.

Acceptable Uses

Usage of the Internet should be guided by the GCA General Code of Conduct which states that students will at all times exhibit Christ-like behavior. Students will be instructed in the proper usage of Internet resources. However, the ultimate responsibility for student actions while using the Internet rest with the student and their parent/guardian.

1. Users must respect the privacy of others. Users shall not intentionally obtain copies of or modify files, passwords, or data that belongs to anyone else. Users should not represent themselves as someone else by using another's account. No one should forward material from the Academy without prior consent of administration or technology coordinator.
2. Users must respect the integrity of computing systems. For example, no one should develop programs that harass other users or attempt to infiltrate a computer or computing system.

3. No advertising for profit or campaigns for political office are allowed.
4. Users must respect the rights of others and not use language that is abusive, profane, or sexually offensive.
5. E-mail is not guaranteed to be private. Messages dealing with illegal activities may be reported to the appropriate authority.
6. Users must exercise care in protecting their passwords. Any abuse of a staff member's account by someone else is the staff member's responsibility. Staff members who believe that someone else may have their password should immediately change it and report the problem to the system administrator.
7. Users must abide by all existing federal and state laws regarding electronic communication. This includes, but is not limited to, accessing information without authorization, giving passwords out, or causing a system to malfunction.
8. Access to the Internet is a privilege. Anyone found using access in a way deemed inappropriate will be denied privileges and may be subjected to disciplinary action, including termination of privileges.
9. Students should not reveal their name, address, personal information, and school name when using the Internet.
10. Students are to use the Internet for educational purposes only.
11. Students should not store any inappropriate, illegal, or obscene material on school owned equipment.

15. Students must appropriately cite all information taken from an Internet site.

MONITORING

BCA staff will strive to consistently monitor computer and internet usage. The BCA lab is equipped with a Web-blocker program. As efficient as this may be, there is no guarantee that it is 100% effective. At no time should this program be disabled. If staff

members need additional access to the Internet, they may use one of the administrative computers which do not have a blocking system installed on them.

DISCLAIMER OF ALL WARRANTIES

BCA can in no way guarantee the services provided by school access to the Internet or school computers. BCA is not responsible for any damages an Internet user might suffer. BCA accepts no liability in connection with data loss resulting from viruses, backup device failure, interruptions in service, delays, non-deliveries, failure to deliver, or mistaken delivers. Information obtained from the Internet is used at the user’s risk. BCA is not responsible for the accuracy of information obtained through school provided Internet service.

PERSONAL INTERNET USE

Families must recognize that home and personal usage of the Internet may have an impact on the academy, staff and other students. Students who send threatening messages to or about another student may face school discipline if this action causes a disruption to the operation of the academy.

TECHNOLOGY OBJECTIVE

The technology goals for BCA align with the National Education Technology Standards for the Digital-Age Classroom. Our “BRING YOUR OWN DEVICE” initiative dramatically advances student learning and increases opportunities for collaboration and differentiated instruction. Technology tools are used to challenge students in higher-level thinking skills, inspire students to become lifelong learners, and prepare Bethesda students for digital citizenship. Computers will not be used every day. Teachers will instruct students on when they should bring their devices to school.

The vision of “BRING YOUR OWN DEVICE-B.Y.O.D.” is to embrace technology in all areas of the school and transform the classroom into a digital learning environment. The goal of this new initiative is to embrace technology to better engage and empower students to excel as lifelong learners. The initiative enhances the current curriculum and equips, challenges, and inspires students as 21st century learners to impact their world for Christ. The B.Y.O.D. initiative aligns with and advances BCA’s mission, vision, and core values.

As part of the technology initiative, Bethesda Christian Academy uses digital resources to transform and accelerate education through technology for all students in kindergarten through eighth grades. Launched in August 2015, the students in grades six through eight will be allowed to bring approved laptops and tablets to school to enhance learning and to help create an environment that embraces technology.

CYBER SAFETY

Technology and the Internet can provide a wealth of information and tools for enhancing our students educational experience in a positive way. A key part of this initiative is to help our students and parents to use the internet safely and to be good digital citizens. It is critical that parents monitor their child’s use of the internet and digital tools and to set expectations for their child. Students also need to understand their parent’s expectations. Listed below are some excellent sites that discuss Internet Safety that can be used as resources to educate parents and prompt discussions with their children.

Wired Kids.org – A child friendly site that has games and information geared for younger children

Wiredkids.com – Website dedicated to protecting all Internet users, especially children, from cybercrime and abuse.

Wired Safety – Internet safety and help group site

Cyber Angels – Internet safety education program

Stop Cyberbullying – Cyber bullying information presented for kids, tweens, and teens

NetSmartz – Lots of good information on all types of issues associated with technology such as blogging, cell phones, etc.

NetSmartz Kids – games and activities for younger children to learn about internet safety.

The school has taken precautions to restrict access to inappropriate materials through a filtering and monitoring system. However, it is impossible on a global internet to control access to all data that a user may discover. It is the user's responsibility not to initiate access to such material. All laptops and tablets will be filtered through the BCA filtering and monitoring system. Classroom teachers and IT coordinators will monitor internet use. Administration and the IT coordinators will also be able to view student internet site histories. Parents are always responsible for monitoring student internet use at home. Suggestions and resources will be discussed at parent orientation.

PROVIDING YOUR OWN LAPTOP

Students in grades six through eight will be allowed to bring their own computer device to school. A cell-phone is NOT an acceptable alternative computing device. An alternative device must be a laptop or tablet.

Students bringing their own computers from home are responsible for:

1. Signing the Acceptable Use Policy and Personal Computer Use Agreement.
2. Bringing the laptop to school each day necessary and taking it home each day. Failure to bring in a laptop or a failed battery are not acceptable excuses for late or incomplete work. Laptops will not be used each day. Teachers will inform students of when laptops may be used.
3. Charging the laptop at home. Students are expected to bring in charged laptops each day. Students will NOT be allowed to charge their computer devices while at school.
4. Taking the laptop to all classes unless specifically instructed not to by the teacher.
5. Granting access to the laptop upon request by a teacher, administrator or member of the technology department.

It is recommended students also:

1. Carry the laptop in a laptop carrying case at all times when not in use.
2. Do not leave laptops in unsupervised or unsecured locations.

BCA is not responsible for repairs to personal computers. In the case of a stolen or lost personal computer/tablet, the school will conduct a thorough investigation. If the laptop cannot be recovered, the school is not responsible for replacing the computer.

STUDENT LAPTOP AGREEMENT

1. I understand the laptop and charger is the responsibility of the individual student.
2. I have signed the BCA Acceptable Use Policy.
3. I will follow the Acceptable Use Policy and use the laptop appropriately.

4. I will care for the laptop and not leave the laptop in an unsupervised or unsecured location.
5. I am responsible for damage or loss of my computer/tablet by abuse or neglect.
6. I will bring my laptop to school on necessary days, as instructed by my teacher.

DISCIPLINE

Because we encourage respect for individuality and diversity, our goal in the administration of discipline is to **correct** – thus directing the child toward right behavior rather than simply to **punish** the child for wrong behavior. Teachers will establish rules and methods for classroom control and will seek to exhibit an attitude of love toward the misbehaving child even while disapproving and correcting the action.

Students are expected to make every effort to practice self-discipline. We feel that students should conduct themselves so that mutual respect is displayed for all individuals so that a climate for learning may be established. Each teacher has a set of class rules posted and follows a set of specific behavior plans. At the beginning of the year, parents will have the opportunity to discuss grade level policies and individual classroom rules with their classroom teacher. Parents will be invited to take a role regarding their child's school behavior since a strong collaboration between school and home maximizes the child's chances of school success. We are proud of our student's behavior. We hope that you will support us in our efforts to enforce an effective discipline program.

BCA CODE OF CONDUCT

1. I will act honestly at all times and in all situations. "The Lord hates ... a proud look and a lying tongue." (Proverbs 6:17)
2. I will respect those people God has placed in authority over me. "Pray for rulers and for all who have authority so we can have quiet and peaceful lives..." (1 Timothy 2:2)
3. All academic pursuits will be the result of my own efforts and not that of others. "Provide things honest in the sight of all men." (Romans 12:17)
4. The word that I speak will be good and will be spoken with the intention of building up my peers and those around me. "Speak not evil one of another." (James 4:11). "Let no corrupt (rotten) communication come out of your mouth." (Ephesians 4:29)
5. I will respect the property of others and the property that God has provided for my use at the Academy and Church. "Let him who stole, steal no more." (Ephesians 4:28)
6. I will obey instructions that are given to me by my teachers, supervisors, and administrators. "Do everything without complaining or arguing" (Philippians 2:14)

8. I will keep myself from all affairs that do not concern me. “Don’t share in the sins of others.” (1 Timothy 5:22b)

METHOD OF DISCIPLINE

Elementary

Students in kindergarten-fifth grade will be treated fairly and reasonably. Discipline will be based on careful evaluation of the circumstances for each case. Teachers will use various discipline strategies including contracts, conference with the child, time out, and parent contact. Factors that will be considered will include seriousness of the offense, the student's age, frequency of misbehavior, and the student's attitude.

- ★ **Students who are referred to the office more than once in a single grading period may be suspended for one instructional day.**
- ★ **Elementary students who engage in fighting with another student may be suspended from school for at least one day. The definition of fighting will be determined by the Administration.**

Middle School

Middle School Demerit/Merit System – The goal of the merit and demerit system at BCA is to encourage appropriate behavior for an ambassador of Christ and to make the learning environment positive for all. Students and teachers are encouraged to be prepared, be productive, be punctual, be polite and be positive as we seek to give God our very best each day. Listed below are guidelines for avoiding demerits and for living a life worthy of your calling. This list is not meant to be finite but merely a broad guideline of encouraged behavior for our students.

Merit/Demerit System:

Students will be educated on the Middle School Expectations during the first week of school. The expectations include:

1. **Be Prepared:** Have all supplies necessary for a specific class.
2. **Be Productive:** Stay on task; submit assignments and take notes. Manage your time wisely both in and between classes.
3. **Be Punctual:** Be on time for specific classes and meetings.
4. **Be Polite:** Practice good manners and common courtesies when interacting with others (in person or online).
5. **Be Positive:** Do your best at all times. Be a positive role model for others and model proper behavior.

Punch Card Procedures:

1. Students will receive one card per nine-week period. It is the student's responsibility to keep up with the card. If a student does not have the card or they have used all spaces on the punch card, they will receive a demerit for the offense.
2. Bathroom: Students will have 7 opportunities to use the restroom during any class within the 9-weeks time frame. This does not include homeroom or any class change times.
3. Tardy: Students have 7 opportunities to be late to class without receiving a demerit for any class period. This does not pertain to the first class period.
4. Unprepared: Students will be given 7 chances to be unprepared for any class period. This may include not having paper/notebook, textbooks, pencil or planner. This does not include not having an assignment to turn in.
5. Grace: This gives students one opportunity per class period for one assignment not to be counted as late and the assignment will not receive a zero. Students may not use the grace more than once in any class. This is also not an automatic 100 as a grade. The assignment must be turned in by the next class period.

Demerit/Kudos System:

Demerits may be issued for the following, but are not limited to:

- Being unprepared for class
- Being off topic in class (not taking notes, talking to peers, not completing group work)
- Tardiness (not applicable to the first period class)
- Not practicing good manners and common courtesies (unkind words or gestures)
- Not modeling proper behavior (any characteristics that are not Christ-like)
- Disrespect towards peers or teachers
- Chewing gum on campus
- Breaking Dress Code
- Cheating

Cell phones or other devices not being turned off

Demerits: Once a student receives 5 demerits they will be assigned to an afterschool detention that is held every Monday from 3:00 until 4:00. During detention, students will be asked to serve the school by completing supplementary academic assignments, cleaning certain areas of the school, picking up trash or completing a service project. Teachers and Administration have the right to weight the notations of demerits to a higher level pending the severity of the action. If a student is sent to the office they will automatically receive at least one demerit.

Teachers will turn in demerit slips to the designated middle school representative who will organize and contact parents and students to inform of the necessary after school detention. After school detention will be held each Monday afternoon until 4:00 pm. Parents will be asked to pick their student up at 4:00 or they may go to the after school program. A student who is assigned after school detention will be required to obtain individual transportation to any practice/game that may fall on the assigned detention day. Middle school teachers will create a rotating schedule to staff after school detention.

Crusader Kudos: Crusader Kudos will be given to any middle school student who is going above and beyond expectations. The Kudos may be given out by any middle school or elective teacher. The teacher will sign the Crusader Kudo to thank the student for being a positive influence for the academy. It is the student's responsibility to write their name on the Crusader Kudo and place it in the designated box in their homeroom. On the last day of the week, the homeroom teacher will draw one Crusader Kudo out of the designated box. The student whose name is drawn will win a prize certificate. It is the student's responsibility to keep track of the prize certificate until they decide to redeem it. If a Crusader Kudo or prize certificate is lost, it will not be replaced. At the end of the first semester, the homeroom with the highest percentage of Crusader Kudos will be awarded a class prize.

If at any time parents have questions or concerns about their child's behavior, they may contact the Academy office.

Expulsion - The decision to expel any student is made upon the recommendation of the Academy Administrator. A student may be dismissed:

1. If the student violates the severe clause of BCA school wide policy or consistently violates school wide policy procedures.
2. If the parents do not co-operate with the school
3. If the absence policy/tardy policy is abused.

GENERAL SCHEDULE

SCHOOL YEAR

A school calendar can be located on the BCA website. This calendar will be kept current and will help you plan your weekly activities. Although we are sensitive to the needs of

parents who have children in public school as well as at BCA, there will be some departures from the Durham Public School Schedule. We follow recommendations of the Department of Non-Public Instruction for North Carolina as we prepare our school calendar.

INCLEMENT WEATHER AND SNOW DAYS

On days of heavy snowfall, icing, or other hazardous weather conditions, closing and re-opening announcements will be made on the following radio and television stations:

WRAL-TV (Channel 5)	WRAL Radio (FM 101.5)
WTVD-TV (Channel 11)	www.bcacrusers.org

We will attempt to use the BCA Alert-Now phone system to inform families of closings, delays and/or re-openings.

Makeup days will be determined by the administrator and the School Board. There will be no after school care provided on days that BCA must close early due to inclement weather.

SCHOOL DAYS

School Hours

7:25-7:35	Staff Devotions
7:25-7:40	Before School Care
7:40	Students may enter classrooms
7:55	Tardy bell rings
3:00	School Dismisses
3:00-5:30	After School Care

Any student not picked up by 3:20 pm will be sent to after school and their account will be charged \$12.

BEFORE AND AFTER SCHOOL CARE

- Before school care begins at 7:25 am and last until 7:40 am
- There is no charge for before school care.
- Full-time after school payments are made through FACTS tuition management. Families are charged nine equal payments from September through May. Each payment is \$200. This amount will be added to your FACTS tuition bill during these nine months. Students using after school on a part time basis will have charges added to their FACTS account at the end of the month.
- Middle school and elementary students using after school care on an as needed basis will be charged \$50 per week if they attend three or more days during the week and \$12 per day if attend one or two days per week.

DROP-OFF AND PICK-UP PROCEDURES

- All kindergarten through second grade students must be brought into the building each morning. This ensures that the children safely get into the building and find their classroom. This procedure will also allow great opportunity for you to familiarize yourself with your child's teacher and help keep you up to date on things that are going on at the academy.
- **To encourage personal responsibility, we strongly suggest that students unpack their belongings and enter classrooms alone. Teachers will be stationed at the door to assist you.**
- Third grade students and above may enter the building alone and proceed directly to before school care until 7:40 or to their classroom after 7:40. It is highly encouraged that parents come into the building at least once a week just to make sure they are not missing important posted information.
- **If you are coming into the building with your child, please park in the parking lot and not in the drive in front of the school. Cars should NEVER park in the drop off/loading zone in front of the school. This is a FIRE LANE!**
- If you are dropping your child off, please circle through the drive way located next to the school to let your child get out of the car. Please do not let your child run from the parking lot into the building.
- **PARKING IS NOT PERMITTED IN THE DRIVE WAY LOCATED NEXT TO THE BUILDING.**

DISMISSAL PROCEDURES

- If your child will be picked up at 3:00 please take part in the car line.
- If you do not want to participate in the car pool line, we request that you wait until 3:20 to walk up to the lobby to obtain your student. Please do not walk up to the front doors of the school during car line. It is important that staff members are giving all of their attention to the students to ensure safety.
- Parents should NOT walk up during car line to have a discussion with any faculty member. All faculty members have major responsibilities during dismissal time.
- Teachers will be available the first two weeks of school to help direct traffic in the parking lot. If everyone will use the carline this will make end of the day pick up much easier, faster and safer!
- Parents will be issued car identification tags to be displayed on the passenger side sun visor. Please make sure these identification tags are given to whomever is responsible for picking up your children. Each family will receive two identification tags.

FUNERAL DISMISSAL

Occasionally there is a BBC funeral which lasts beyond dismissal time. In the event of a funeral, we will place notices on the glass windows of the entrance doors the morning of the funeral. In the afternoon, instead of picking your child up on the school side of the

building, you will enter the parking lot from the Ellis Road side and form a line beside the daycare building. The staff will bring the students to that side of the building to be placed in your car.

Parents of students in grades three and above should always look on the doors of the school as they drop their students off to see if there are any notices posted (other important notices are often posted on these doors.)

GENERAL FINANCIAL

REGISTRATION FEE

- An annual non-refundable registration fee is charged for each student who registers for the upcoming school year.
- Registration for the next academic year will begin no later than the beginning of February each year and the fee is due at this time.
- All fees must be current for a student to re-register.

TUITION

- All tuition payments are made through the FACTS tuition management system. Families may choose to receive a monthly invoice; have their monthly tuition drafted on the 5th or the 20 of each month; or they may choose to pay FACTS by credit card.
- Only families who are paying for the entire year – in advance- will directly pay the academy office. All other families will pay tuition through FACTS. Yearly payments must be made to the academy office no later than August 1.
- Detailed information about FACTS may be obtained from the official web site at www.factsmgt.com.
- Any returned check will require a service fee.
- Account not paid in full by the end of the month in which payment is due will be considered delinquent. Parents may elect to pay tuition in either 11 or 12 monthly payments.
- Students may not be permitted to attend school until either the account is brought current or other arrangement concerning payment are made.
- Please refer to BCA's separate billing information sheet to become familiar with current tuition fees.
- Report cards may be withheld if accounts are delinquent.
- The final grade report of the school term is released after the account is paid in full. If a student's account becomes overdue, attendance may not continue, no records will be released, nor will re-enrollment be allowed until all account are paid up to date.
- Should a student transfer before the end of the school year, tuition is prorated on the number of days enrolled at BCA. No fees or incidental charges are prorated nor are they refundable.
- Students with unpaid balances may be asked not to participate in Kindergarten graduation or the 8th grade awards ceremony.

- Students with outstanding balances are not allowed to participate in the sports program.

DONATIONS

Donations to BCA are tax deductible and provide additional resources for the academy. Donations may be made to the general budget or the Faith of Our Fathers scholarship fund.

ATHLETIC UNIFORM POLICY

1. Uniforms

All teams will use school owned uniforms with the exception of cheerleading. These uniforms will be issued to the student athlete prior to the first scheduled game of the season. These uniforms are to be cared for according to the instructions on the uniform tag. These uniforms should not be altered or adjusted in any way. Uniforms must be turned in to the athletic office no later than one week following the last game to be played in that sport.

Any uniform that is lost, not turned in, or deemed unsuitable for reuse by the Athletic Director will be the financial responsibility of the student athlete to whom it was originally issued. It must be paid for before the student will be allowed to participate in any other sports. Occasionally, some teams may decide to purchase “team” items. The individual student athlete will purchase these items. (i.e.) warm-ups, shoes, etc.

2. Game Day Attire

All student-athletes may wear their jersey to school on game days to show school spirit and promote BCA athletics. Any sleeveless uniform top must be worn with an appropriate undershirt during school hours. Athletic shorts and all other athletic equipment (i.e. sweat bands, hats, eye black, cleats, etc.) may not be worn during school until the team is given permission to dress out for the game.

3. Game Day Procedures

In order to keep students-athletes in class as long as possible, the last ten minutes of lunch period will be used to change into game attire. Students will be dismissed to the

sanctuary bathrooms to change into their game uniforms. They will have ten minutes to change and get to their next class. Each student-athlete is expected to be at their next class on time! Rubber and metal cleats are not allowed to be worn until student-athletes are dismissed to leave for the game.

Transportation Guidelines

Policy For Routine Safety and Servicing of School Vehicles:

1. Vehicles must be inspected yearly according to state transportation guidelines.
2. Vehicles are inspected at least quarterly for routine maintenance.
3. Repairs are made as needed when observed during routine maintenance and/or by users of the vehicle.
4. Bus drivers inspect and complete BUS REPORT each time the bus is used. These reports are kept inside the bus. If a driver notices any concerns while inspecting the bus, they report any concerns to the Administrator.
5. A Bus Evacuation Drill is scheduled and practiced a minimum of once per school year with all elementary and middle school students and staff members.

Policy For Reporting School Vehicle Accidents:

Each time a faculty member or coach leaves the campus with students, he must carry Emergency Student Information Cards. In case of a major injury, the faculty member/coach should take the appropriate action to obtain professional help immediately and promptly notify the legal guardian. The Administrator should be contacted as soon as possible and procedures for reporting injuries will be followed from the BCA Crisis Management Plan.

Activity Bus Rules and Expectations:

Field trips, retreats and sporting events require appropriate attire, vehicle seating, safety measures and student behavior in order to be effective and worthwhile. All drivers of school vehicles must be pre-approved by the school administration. When parents drive, there should be seat belts allotted to each student and adult.

1. School and classroom behavior standards apply on school and private vehicles.
2. On all field trips, unless specific permission is given, audio equipment is prohibited.
3. Authority of the driver is the same as that of a teacher. Students should address and obey the driver with courtesy and respect.
4. The driver and students are responsible to keep the vehicle clean and in good condition. Care must be exercised so there will be no damage to the seats or interior of a vehicle. There is to be no climbing over the seats of the vehicle at any time.
5. Order and discipline must be maintained. Anything that would distract the driver,

such as loud talking or abrupt movements, is unacceptable. Christian conduct is expected at all times.

6. The school has established the following guidelines in order to insure the safety and responsible supervision of students:
 - a. Students are to remain seated and buckled (if possible) at all times. When preparing to disembark, students should wait for directions from the adult in charge before leaving their seats.
 - b. In emergencies, students will exit according to specific instructions given by the adult in charge. (Bus Evacuation Policy established 2010)
 - c. No objects are to be tossed in or out of the vehicle. Arm waving and calling out the windows is not allowed.
7. Any destructive abuse of the vehicle by a student will result in disciplinary action, the curtailment from all use of school transportation and the complete reparation of the school's property.
8. All children, in a personal vehicle, less than 8 years old or weighing less than 80 pounds must be in a booster seat.

Bethesda Christian Academy School Bus Evacuation Policy

Bethesda Christian Academy will ensure that once a year students will be instructed and participate in an emergency evacuation drill. The date and time of each drill will be recorded and placed on file in the academy office.

When To Evacuate:

Normally, passengers are safer inside the bus. For normal breakdowns, the students should be kept inside the bus. If the bus is located where there is a high risk of collision, a staff member will need to organize a careful and orderly evacuation of the school bus.

Examples of high risk situations include:

- *near a blind curve
- *just over the crest of a hill
- *on a railroad track

Or there is some danger that threatens the passengers, such as

- *fire or smoke that may threaten the safety of the passengers
- *danger of being submerged in water
- *the bus has rolled or tipped over
- *the bus is in danger of rolling or tipping over

Evacuation Procedures:

1. Park the bus as close to the shoulder of the road as possible.
 - a. Turn hazard lights on
 - b. Set the parking brake

- c. Turn the engine off
2. Stand facing the rear of the bus.
3. Give the command: "Remain seated; prepare to evacuate."
4. Turn toward the front of the bus.
5. Move backwards to the first occupied seat.
6. Starting with either the left or the right seat:
 - a. Touch the shoulder of the person nearest to the aisle to indicate that the passengers in that seat are to move off.
 - b. Keep the passengers in the seat opposite in their seat by holding the hand palm out in a restraining gesture until the aisle is clear.
 - c. Move out the passengers in the opposite seat, using the same signal as above.
7. Move backwards down the aisle, repeating this procedure at each seat until the bus is empty.
8. Check the bus from the very back seat to the front, making sure it is empty.
9. Have evacuating students move to a safe distance (100ft) and keep them there as a group, away from any dangerous areas.
10. Continue to check for students while removing the fire extinguisher or first aid kit, if needed.
11. Call or have someone call the fire department, the garage and the school as necessary.
A fire at the front of the bus may make the front entrance unusable and an alternate route of evacuation necessary.
12. Normally, the front entrance will be available, but the emergency back door can be used as the primary exit during an emergency. When unloading using the back door, students should crouch, extend their arms to the monitors and hop down. Evacuation through both doors is fastest, with the rear monitor working forward seat by seat and the driver working backward seat by seat. The emergency windows can also be pushed out to facilitate evacuation. If the bus is on the side, use the roof hatches as well as the emergency doors on the up side to evacuate students.
13. In the event that the driver is injured, a monitor near the front of the bus will assume authority.

Student reminders during an Emergency Evacuation:

1. Listen to the driver's instructions for the correct exit.
2. Be calm, quiet and do not panic.
 - a. Leave your belongings behind.
 - b. Exit seat by seat alternating rows.
 - c. Leave the bus quickly without pushing or shouting.
 - d. Walk to a safe place and stay together.

Bullying Policy

Purpose

North Carolina state law requires schools to develop and adopt policies to prevent student harassment and bullying. Policies must define bullying, prohibit bullying on school property, or at school-sponsored activities and state the consequences of engaging in bullying behavior. It also requires school employees to report incidents of bullying to the school principal or other school administrators. Additionally, it calls for the policy to be clearly communicated and available to teachers, parents, students and other stakeholders.

Bethesda Christian Academy, in compliance with this legislation, and in full support of, our student body has adopted the following policy. BCA seeks to provide the best educational and spiritual setting for all students and strives to promote an environment where students are able to learn, free from harassment and bullying.

What is Bullying?

Bullying is identified as any behavior, verbal or non-verbal that is intentionally intended to cause physical, emotional, psychological or social harm. Bullying may be direct (face to face) or indirect.

Bullying Behaviors

The following is a list of behaviors that may demonstrate bullying. A student who demonstrates a bullying behavior may not be a bully. It is the goal of BCA to reduce bullying by addressing these types of behaviors as they occur.

Physical Behavior

1. Intentionally endangering the welfare of others. Such behaviors are not limited to but may include the following:
 - a. Hitting
 - b. Kicking
 - c. Punching
 - d. Pushing
 - e. Tripping
 - f. Spitting on
 - g. Poking
 - h. Blocking
2. Other examples of physical bullying include:
 - a. Unwanted touches

- b. Rude gestures
- c. Taking or damaging another's property
- d. Extortion of money or other items
- e. Making someone do something they otherwise would not do

Verbal Behavior

Verbal bullying includes but is not limited to the following:

- a. Name calling
- b. Teasing
- c. Bossing
- d. Threatening
- e. Making fun of another's appearance, physical characteristics or cultural background
- f. Making fun of another's actions

Indirect Behavior

Indirect bullying includes but is not limited to the following:

- a. Exclusion from activities or social groups
- b. Spreading rumors
- c. Circulating inappropriate notes or drawings
- d. Using other people to threaten, intimidate, or humiliate another
- e. Negative or rude body language

Cyber Bullying

In as much as technological advances have provided opportunities for students to communicate electronically, the following behaviors will be considered bullying:

- a. Sending of inappropriate or threatening messages through any form of social media
- b. Creating, sharing or posting inappropriate or threatening information or pictures on websites

Reporting Bullying

It is the responsibility of all faculty and staff members to report occurrences of bullying behaviors as outlined in this policy. Parents and students who have knowledge of such behaviors are encouraged to report this information and may do so without fear of consequences. Additionally, students who feel that they have been or are becoming the victims of bullying behaviors should notify a teacher or administrator. Those parents or students who report such behaviors should not be the target of retaliation or reprisal in any way. Any individual who withholds information regarding bullying behavior or provides inaccurate or false information will be subject to disciplinary action including possible removal from the school.

Prevention and Education Procedures

Written notices of what constitutes bullying or bullying behavior will be distributed to families at the beginning of each school year. A copy of the bullying policy will be posted on the school website and can be made available to any interest party if requested.

Employees, students, parents and others are encouraged to take advantage of any opportunity to participate in programs or activities which promote the knowledge and skills need to prevent and/or respond to bullying or bullying behavior.

Annually, as part of the in-service training for all school staff, the Administrator shall review the “No Bullying” policy because adults must take the initiative in combating bullying. They must be watchful for bullying warning signs, closely supervise children on the playground, in the classrooms, hallways, restrooms, etc.

At the beginning of the school year during an assembly, and as needed, the administration shall ensure that the student body is familiar with the “No Bullying” policy.

Responses to Bullying or Bullying Behaviors

BCA recognizes that not all bullying behaviors should be considered bullying or willful violation of this policy. Consequences will only take effect after an incident has been thoroughly investigated. Any member of the school staff receiving a suspected bullying report shall address the matter as soon as possible. The staff member shall assess the situation to determine if the behavior meets the criteria for bullying or if the behavior is an isolated incident that can be resolved within the classroom. (Not all conflict constitutes bullying.) The administration of Bethesda Christian Academy reserves the right to treat any single act of bullying as severe enough to warrant dismissal or suspension from school. Parents of all parties will be kept informed.

Bethesda Christian Academy “No Bullying”

We agree to do our part in preventing bullying at our school. We believe it is the equal right of everyone to enjoy our school and to have the confidence that it is a place where all will feel safe, secure, and accepted regardless of color, race, gender, popularity, athletic ability, intelligence and nationality.

Bullying can be pushing, shoving, hitting and spitting, as well as name calling, picking on, making fun of, laughing at, and/or excluding someone. Bullying causes pain and stress to victims and is never justified or excusable as “kids being kids,” “just teasing” or any other rationalization. The victim is never responsible for being a target of bullying.

As parents/guardians, we pledge to:

1. Keep ourselves and our children informed and aware of the No Bullying Policies and Procedures.
2. Work in partnership with the school to encourage positive, Christ-like behavior, valuing differences, and promoting sensitivity to others.
3. Discuss regularly with our children their feelings about school work, friendships, and relationships.
4. Inform faculty of changes in our children’s behavior or circumstances at home that may change a child’s behavior at school.
5. Alert faculty if any incidents of bullying have occurred.

As a student, I pledge to:

1. Learn about my school’s No Bullying Policies and Procedures
2. Show positive, Christ-like behavior and be sensitive to others.
3. Talk with my parents about my feelings about school work, friendships, and classmates.
4. Tell my parents or teachers if any bullying has occurred.
5. Remember to strive to be more like Jesus Christ each day.

By signing below, we, the parents and the student, agree to stand by the above pledges and to do our part in preventing bullying at Bethesda Christian Academy.

BCA's Peanut Allergy Policies and Procedures

Dear BCA Families:

This letter is to inform you that a student in your child's classroom has a severe peanut/nut allergy. Strict avoidance of peanut/nut products is the only way to prevent a life threatening allergic reaction. We are asking for your assistance in providing the student with a safe learning environment. If exposed to peanuts/nuts the student may develop a life-threatening allergic reaction that requires emergency medical treatment. The greatest potential for exposure at school is to peanut products and nut products. To reduce the risk of exposure, the classroom will strive to be peanut/nut free. **Please, do not send any peanut or tree nut containing products for your child to eat during snack in the classroom.** If you are providing special snack for the class or for a class celebration, please check all ingredients to ensure that no peanut/nut products have been used. Any exposure to peanuts or nuts through contact or ingestion can cause a severe reaction. If your child has eaten peanuts, peanut butter, or nuts prior to coming to school, please be sure your child's hands have been thoroughly washed prior to entering the academy.

Since lunch is eaten in the BCA Café, your child may bring peanut butter, peanuts or nut products for lunch, if necessary. It is our recommendation that you try your best to send your child non-peanut related items but we do understand that this is the only item some children will eat. Each family will be given colored wrist bands to connect to your child's lunchbox, indicating that the lunch contains some type of peanut related item. Please make sure this band is connected to your child's lunchbox. Additional wrist bands will be available from the academy office. Please inform us of your need and we will gladly send home additional bands for your family. In the cafeteria, there will be a designated peanut zone table where any classmate with peanuts or nut products can sit. These students will be able to enjoy their lunch in the café and then will use baby wipes to clean their hands before leaving the café. This will help us keep our students away from possible harmful contaminants. This plan will help maintain safety in the classroom while allowing non-allergic classmates to enjoy peanut/nut products in a controlled environment. Following lunch, all students will be asked to clean their hands with soap and water. The café tables will be cleaned with an approved table sanitizer after each class has eaten.

We appreciate your support of these procedures. If you have any questions, please feel free to contact me at Tony.Manning@BCACrusaders.org or by calling 919-598-0190.

BCA Peanut/Nut Policy

1. If a current student at Bethesda Christian Academy has a severe peanut/nut allergy, the administration will send out written information to each family of that particular class. It is the parent's responsibility to inform the academy staff of any allergy that their child may experience.
2. The child's classroom (not the entire school) will strive to be peanut/nut free.
 - a. Snacks eaten in the classroom should not contain nuts or peanuts.
 - b. Special occasion snacks provided by parents should be checked to ensure that the products do not contain peanuts/nuts.
 - c. Children who bring snacks containing peanuts/nuts will eat them in a separate space—during snack time—and will wash their hands before returning to the classroom.

- d. It is suggested that the parent of the student who has the allergy always has an extra approved snack for their child in case a special snack is brought to the classroom and the staff is unsure of the ingredient list.
3. A peanut/nut table will be provided in the BCA Café for children who have nuts/peanut items for lunch
 - a. Friends or classmates may eat at the peanut/nut table as long as they do not have an allergy to peanuts/nuts.
 - b. Children will be encouraged to wash their hands after eating to reduce the potential of cross-contamination of common materials in the school community (keyboards, balls, playground equipment, etc.).
 - c. Tables will be cleaned with an approved sanitizer after each lunch period.
4. If a child has eaten peanut butter, peanuts, or nuts before coming to school, please, have them wash their hands to help prevent accidental cross-contamination of common school items.
5. A list of students with allergies will be created each year and given to necessary teachers as well as the café staff.
6. If a child who suffers from a peanut allergy, has a reaction of some type, the child will be brought to the academy office to receive medical treatment based on the information provided by the parent. Parents will be notified by phone.
7. If families chose not to comply with the above listed policy, that family may be held liable for any injury that may occur because of non-compliance.

Helpful Hints

1. When grocery shopping, read the labels on pre-packaged foods very carefully. Watch for other names for peanuts: arachide, arachis oil, cacahouete, goober nuts, ground nuts, kernels, mandelonas, nut meats.
2. When preparing food, children and adults should wash their hands before and after handling food and before and after eating food.
3. Discourage children from sharing food at school.
4. Encourage children to respect other children's allergies and not tease them.
5. We encourage parents to consistently instruct their child—who may have an allergy—of what they should and should not eat.
6. It is recommended that a student who suffers with food allergies, always has an extra approved snack at school or in their book bag to utilize in case snacks are brought to school that are not allergy approved.

APPENDIX

THE WAY OF SALVATION

While happiness is something that every human being seeks, we learn all too soon that it can be a fleeting thing, quickly replaced in its turn by despair and difficulty. But as hard as those can be to handle during our short time on earth, imagine being trapped in anguish and despair for all eternity!

Our choice is not whether we will live forever, but where. When the final judgment comes, there will only be two kinds of people, not “good” or “bad”, but saved and lost. Each of us gets to choose which we will be.

OUR CONDITION

Romans 2:23 (Psalm 14:1-3)

Whether you think of sin as rebellious against God or just “missing the mark”, every single one of us is a sinner, because we are unable – often **unwilling** – to meet God’s standard or keep His law.

OUR NEED

A. What we have earned – Romans 6:23 (Romans 4:4)

When we work we expect a wage, which is just payment for our labor. The bad news is sin also bears a wage. **Death.** Death is not just a physical separation from this earth. It is also a spiritual separation from God’s aloneness for all eternity.

B. What we cannot earn – Isaiah 64:6

Having sinned and earned a death sentence as a consequence, we may think it possible to rebalance the scales by doing more (or doing only) good deeds. The really bad news is that we are powerless to cover over past wrongs with present good, or to “un-break” God’s law.

GOD’S PURPOSE AND PROVISION

A. His purpose: John 3:16 (2 Peter 3:9)

The good news is that God has provided for our rescue, not because we are worthy, but because he loves us-every one of us- and unwilling that any should perish. We can now choose **everlasting life** over **everlasting death.**

B. His Provision: Romans 5:8-10

The **great** news is He **didn’t wait until we got better** before He made our rescue possible. He did it while we were still His enemies. We can come just as we are.

OUR RESPONSE

The prison gate has swung wide – we need only walk through, turning out back on sin, as God does: receive Christ into our life; trust in His sacrifice alone, and commit to being obedient to Him out of love.

- a. **Repent** – Acts 2:37, 38 and 3:19
- b. **Receive** – John 1:12
- c. **Believe/Trust** – Romans 10:9-10
- d. **Commit** – Romans 10:13
